

**TENNESSEE AVIATION SYSTEM PLAN
AIRPORT RATES AND CHARGES
INVENTORY FORM**

As part of the Tennessee Aviation System Plan (TASP), the Tennessee Department of Transportation (TDOT) – Aeronautics Division is seeking to better understand the general rates and charges that are being used at Tennessee’s public use airports. The intent of this analysis is to inform TDOT – Aeronautics Division, including the Tennessee Aeronautics Commission, of the current rates and charges that are being utilized – **this data will not be published as part of the TASP**. All responses, to the extent possible, will be aggregated at the statewide level. The purpose of this analysis is to collect and analyze the data on various fees and charges, including hangar fees (tie-down, box, and T-hangar), hangar rents, ground leases, property leases, and special use fees.

We ask that you please provide as much data and information as possible to assist in this effort. If you have questions regarding this survey, please contact Taylor Filaroski of Kimley-Horn at 850-553-3517 or Taylor.Filaroski@kimley-horn.com. If you have any questions regarding the TASP, please call Zach DeVeau of Kimley-Horn at 850-553-3530 or Zach.DeVeau@kimley-horn.com or Evan Lester with TDOT – Aeronautics Division at 615-361-8016 or Evan.Lester@tn.gov. Your time and attention are greatly appreciated. Thank you.
