

TRANSIENT GENERAL AVIATION PILOT & PASSENGER SURVEY

The Tennessee Department of Transportation – Aeronautics Division is conducting a study to measure the value of Tennessee airports to their communities and to the state. An important part of this study involves surveying airport users. **This survey is intended to gain an understanding of how transient general aviation aircraft visiting Tennessee contribute to the state's economy.**

Please take a few minutes to complete this survey. Your participation is deeply appreciated and crucial to the success of this study. *Responses are anonymous and reported in combination with all other respondents.*

This survey is also available online at: <https://www.surveymonkey.com/r/TN-GA>
 Or by scanning this QR code:
